

Silvio Schwarz

Geophysicist (B.Sc.)

Philosophy:

- open-source, performance-based
- failure is part of the process
- reliability beats sophistication

Education

Bachelor of Science

Geowissenschaften

Abitur

Mathematik
Geografie

Master of Science

Geowissenschaften
Geophysik

Thesis:

Simulation von Bodenbewegungsszenarien von Starkbeben (German)
Thesis activity was carried out during a position as student research assistant at University Potsdam.

Thesis:

Naturkatastrophen und ihr Einfluss auf das Leben in der Gegenwart (German)

Universität Potsdam
10/2011 - Present

Universität Potsdam
10/2008 - 09/2011

staatl. Gymnasium "klosterschule" Roßleben
08/2000 - 05/2008

Experience

12/2017 - 08/2018
(9 Months)

Student Research Assistant
Seismology

[GFZ Potsdam](#)

08/2014 - 06/2015
(11 Months)

Student Employee

Support in documentation of the power supply system of Berlin, Germany for Vattenfall Europe Sales GmbH

[Assecor GmbH](#)

11/2013 - 03/2014
(5 Months)

Student Employee

Migration of IT Infrastructure to Windows 7 for BIOTRONIK SE & Co. KG

[Assecor GmbH](#)

09/2012 - 11/2012
(3 Months)

Internship

Research and Development
Development of geophysical content for Wolfram|Alpha

[Wolfram|Alpha](#)

06/2011 - 08/2012
(1 Year 3 Months)

Student Research Assistant

Geophysical prospection, seismological model building, consulting for the Council for Geoscience, Pretoria, South Africa

[Universität Potsdam](#)

03/2010 - 05/2010
(3 Months)

Student Research Assistant

Testing Mathematica routines used for seismic hazard assesment
